

## Driving to Normanby Gateway

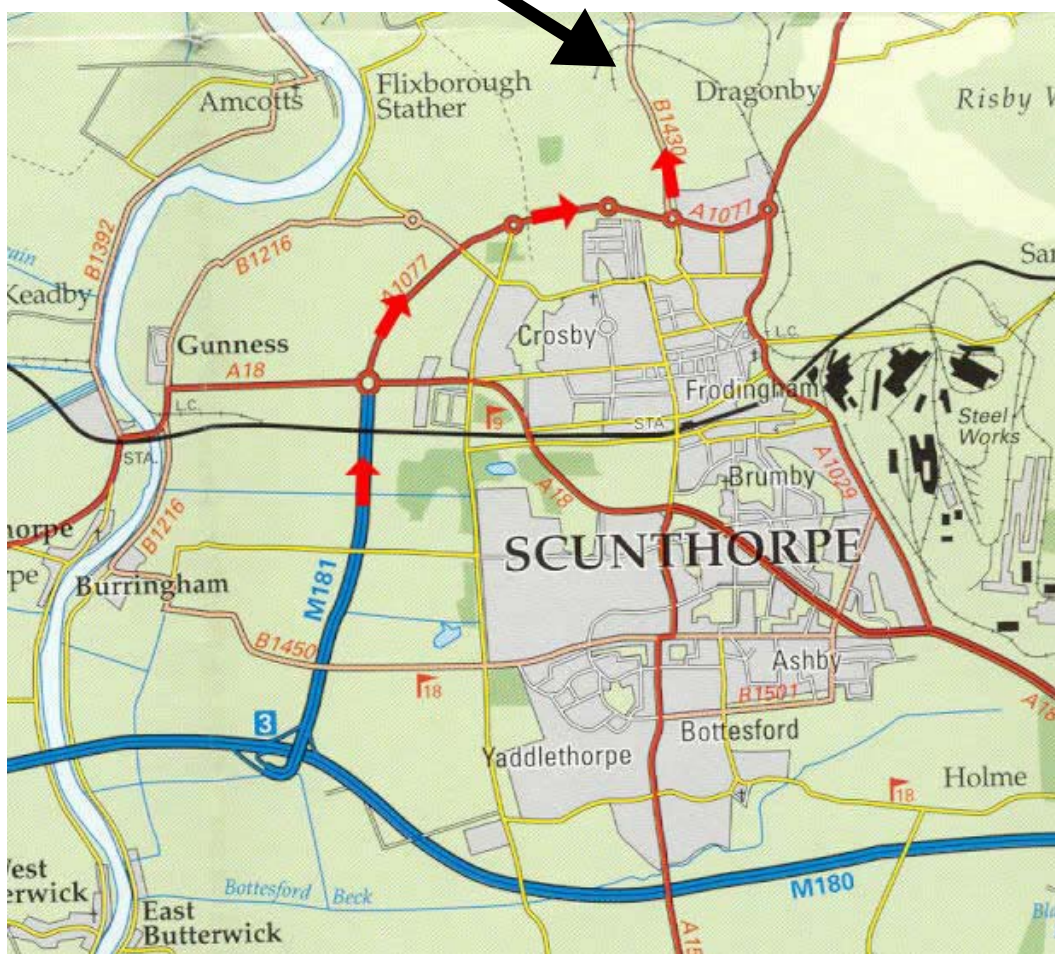

Assuming that you are approaching Scunthorpe along the M181, when you reach the roundabout at the end of the M181 continue straight ahead (second exit) and then, as the road gradually bends to the east go over two more roundabouts. At the fourth roundabout take a left turn (first exit) onto Normanby Road.

Continue for about one mile keeping a wind farm in view ahead of you. At the next roundabout turn left on to Lysaghts Way and immediately right into the approach road to the Normanby Gateway car park.
